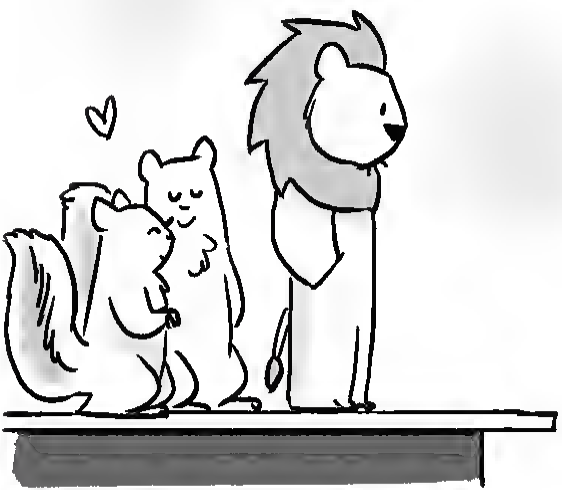
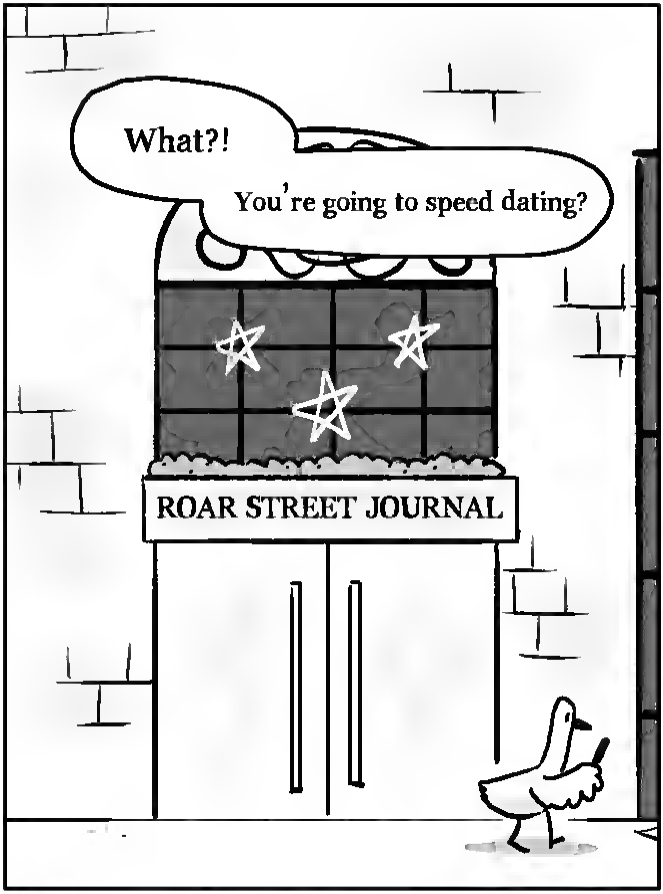
Everybody Got Somebody But Me

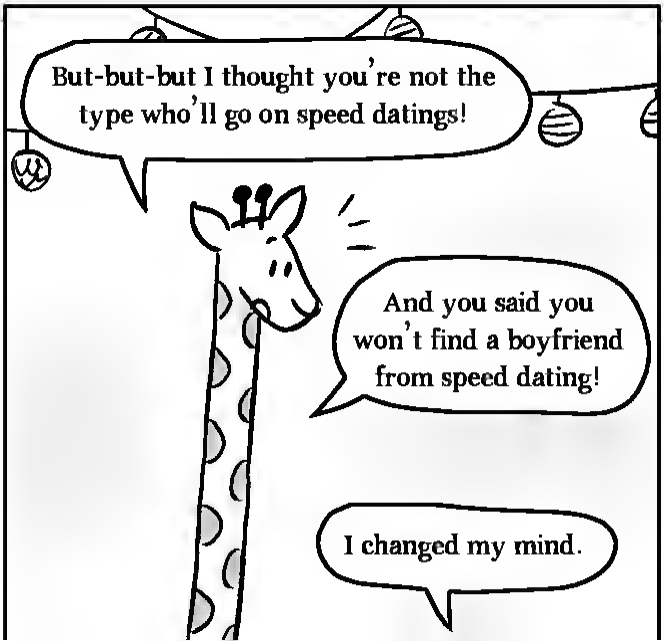
#2





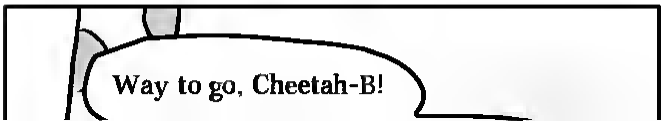
What?!
You're going to speed dating?
ROAR STREET JOURNAL

Yeah.
What, why do you look so surprised?



But-but-but I thought you're not the type who'll go on speed datings!
And you said you won't find a boyfriend from speed dating!
I changed my mind.

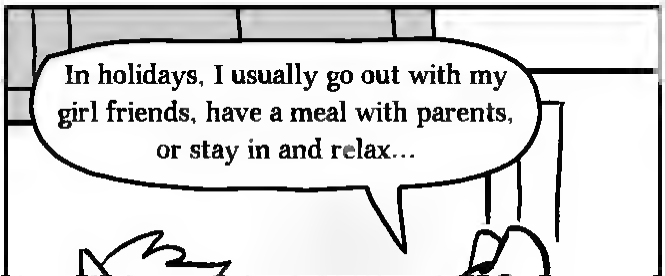
It's really surprising for me too...
But I'm glad you're trying something new.



Way to go, Cheetah-B!

Wish you'll meet lots of great dates this Christmas!

Cheetah-B,
what has gotten into you?
I justed wanted
a change this year.



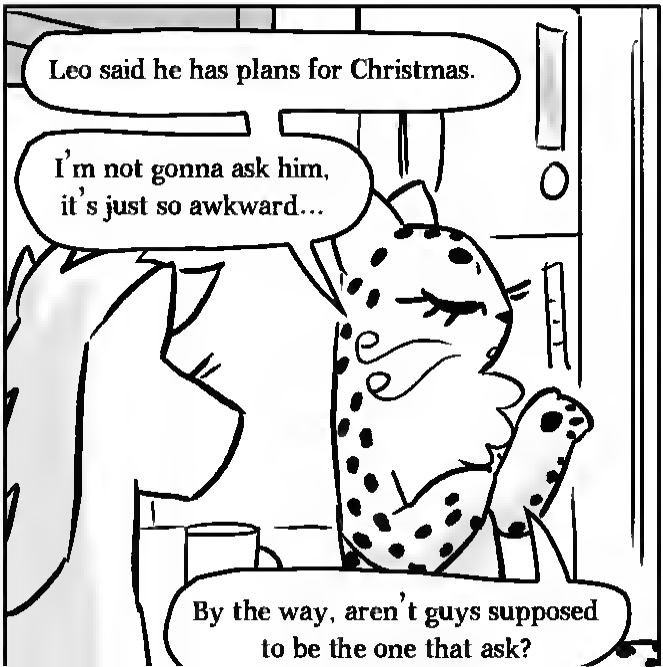
In holidays, I usually go out with my
girl friends, have a meal with parents,
or stay in and relax...

Yeah, so I'm wondering what inspired you to change.

Is it because of all the love birds at RSJ?
Tiffany and Tortis are so in love, and Giraffiel is surrounded in a pink mist..

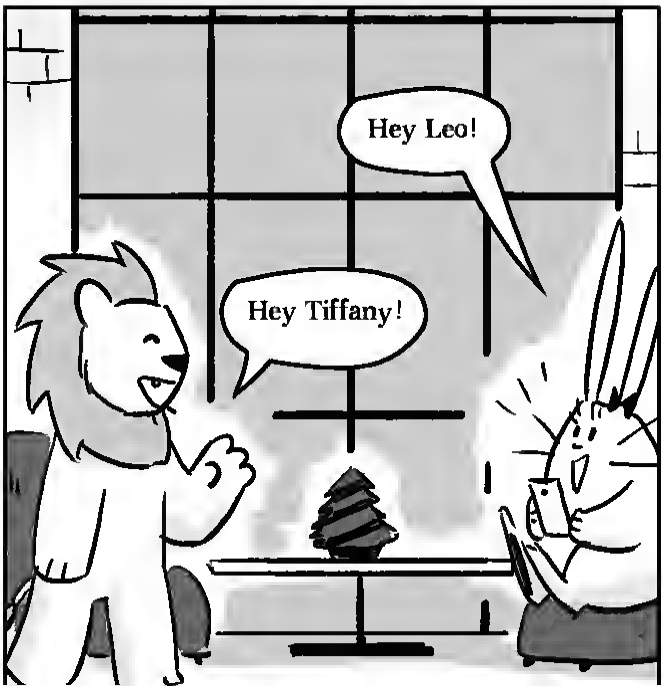
No, not really...
My mum was asking me to get a boyfriend.
...maybe it's time.
Also, you told me not to be afraid in trying new things.
Yeah, but aren't you and Leo close?
We're quite sure he likes you.

Also cuz I think many guys at speed dating are not that serious...



Leo said he has plans for Christmas.
I'm not gonna ask him, it's just so awkward...
By the way, aren't guys supposed to be the one that ask?

...I just hope the reason you go to speed dating is not because Leo upsetted you in any way.



Hey Leo!
Hey Tiffany!

It's already December and I can't wait for Christmas!
Yeah, you have any plans yet?
Of course! Apart from family, Tortis and I are going to spend a really romantic Christmas!

Oh, how I *love* Christmas!
I think it's made for couples!

How did I spend Christmas?

...How did I spend Christmas?

Foxy is gonna be with his

sis this year, so...

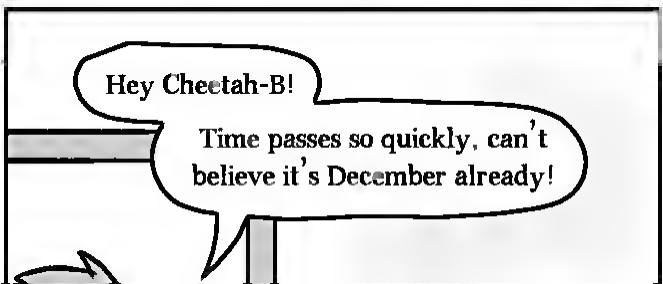
I wish this will come true!



Hey Cheetah-B!
Time passes so quickly, can't believe it's December already!

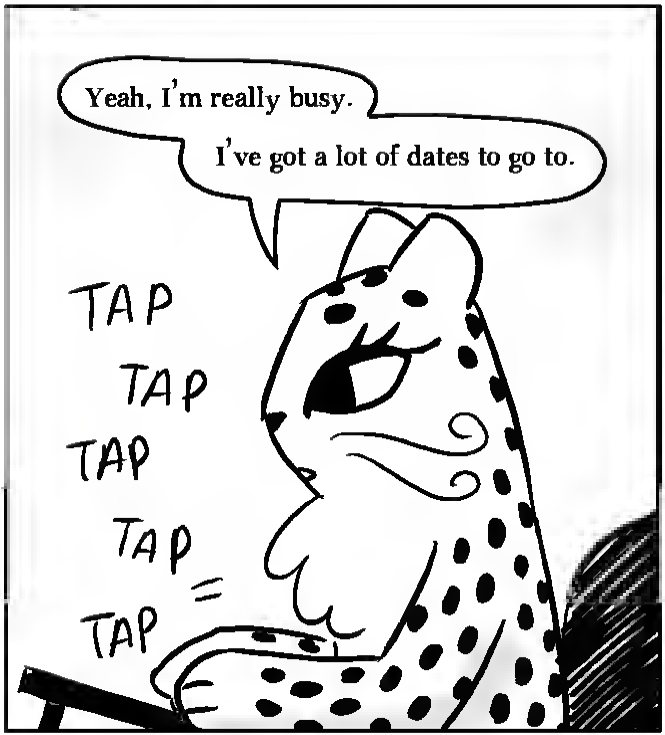
Um...you got any plans for Christmas?



Yeah, I'm really busy.
I've got a lot of dates to go to.

Hey mum...
we have any plans for Christmas?

Your dad and I are going to make Christmas dinner at home.
You've got any plans?
ha ha ha
Um...yeah, I have so much to do!

Haha! Thought you would be busy,
so I'm not asking you to spend Christmas with us this year!
Hope you'll meet a nice girlfriend!
